

License Camera/decoder expansion

CTN: MBV-XCHANPLU-90 | Product No.: F.01U.352.149

- Flexible deployment - choose between cost-effective appliances or a software-only deployment.
- Embedded resilience - keep operations up and running even when multiple system components fail.
- Bosch video at its best - the best user-experience combining Bosch cameras with BVMS.
- Integration - integrate third-party cameras, storage and further systems into BVMS .
- IT environments and data security - benefit from full IT compatibility from installation to day-to-day management in a secure way.
